"Old" teams will be put in the division they were in last year unless they finished in the top two places at the end of last year's regular season. Requests from teams who finished 7th. or 8th. and wish to remain in the same division rather than move down will be considered when so indicated on this form. Otherwise, all effort will be made to put your team in the division of your choice. Placement in a division is dependent on space, limited to a maximum of 8 teams.
