

OPDL - News Letter

October 24th, 2011

Another Week

No real news for this week. So how about a few reminders?

Venues

The OPDL would *like* to give back a little to our venues. To do so, we added a featured venue page to the website. For this to work, we need you the league member or someone from the venue to send something in. This could be as simple as a short description of the place to upcoming events and specials. Anything really. We just want to help get the word out about our great venues.

Member Input

Along the same lines as above. If you have anything you would like the rest of the league to know about, pass it on to the executive. We would be happy to pass along the message.

Statistician / Web master position

A reminder that we are still looking for someone to take over as Webmaster/Statistician. My Life Manager has asked that I free up my evenings... Doesn't take much, maybe an hour or so a week of your time. If you think you may be interested, contact us (well, me really) and we can discuss. Contact info can be found on the web site.
