## A New Season

Welcome back for the 2011-12 season. I hope everyone will have a great year of Darts. Remember to report your scores and any special events of the evening: 180's 171's Hat Tricks, High Finish (3 dart over 100). Drop us a line about your sponsor and any events your sponsor may be running.

This year I would like to welcome Blake Harper as the President and Nick Sharp as Vice President (as of Jan '12). I will be taking on the role of Past President. Henry Downie will continue as Treasurer and Jeff Brassard as Statistician. Jeff is looking for someone to take over his role, so if you are interested, please let us know. Thank you to Henry and Jeff for their continued support on the executive. Gerry Pyne has stepped down as VP, a big thank you to Gerry for all his work.

I have enjoyed being the President and other positions on the executive for the past 25 years, but the time has come to step aside. Thank you for the opportunity to represent you over the years.
